

# Kiilto Kisu Bt

## Primer for Concrete Floor

### Application

Basic treatment agent for porous surface materials, such as mosaic concrete and unglazed stone material. Can also be used for impregnating old and very porous linoleum floors. Not suitable for dry-pressed tiles.

### Product properties

Kiilto Kisu BT fills the pores of the surface and does not result in a visible film on the surface. Kiilto Kisu BT prevents stains from absorbing into the material. The treatment cannot be removed with ordinary wax removal methods. Kiilto Kisu BT has been awarded the M1 rating.

### Instructions for use

The surface to be treated must be porous, clean and dry. If the surface is too non-porous or dirty, Kiilto Kisu BT will not absorb and comes off after drying. Absorption can also be prevented by an oil-based stone treatment agent previously applied to the floor. Please note that very porous floorings require a long (up to 24 hours) drying time after cleaning.

Turn underfloor heating off well in advance of application. Apply one layer of Kiilto Kisu BT and let it absorb. Wipe unabsorbed substance off. Do not use excessive amounts of the product, it must absorb completely into the surface material. If necessary, apply a second layer. If Kisu BT forms a visible layer on the surface, it can be removed immediately after drying by washing it with e.g. Kiilto Linol, dosage 1 dl/1 l water, or simply let to wear off.

Once dry, a floor treated with Kiilto Kisu BT can be waxed with e.g. Kiilto waxes.

Drying time 1–24 hours. Covers 25–50 m<sup>2</sup>/1 l.

### Note

The product can freeze.

### Product pH

8.0 neutral

### Storage

Warm storage.

### Appearance and scent

White liquid.

### Country of manufacture

FINLAND

### User and environmental safety

Protective gloves must be used. Take care of good ventilation in the working area. In case of eye contact, rinse with copious water, and then contact a doctor. Material safety data sheet and instructions for the disposal of empty product package: [www.kiiltoclean.fi](http://www.kiiltoclean.fi)
