

TELIMAX

Industrial Cleaner

Clear, slightly yellowish liquid. Water-soluble. The tenside-based composition of the product allows very wide range of use. A odorless washing agent without hydrocarbon makes the working pleasant and safe.

Application

For the most demanding washing and cleaning of transport equipment and industrial objects; external washes, cleaning engines and components, industrial grease removal washes, washes of floors and walls i.e. for cleaning almost all water tolerant surfaces.

Product properties

Clear, slightly yellowish liquid. Water-soluble. The tenside-based composition of the product allows very wide range of use. A odorless washing agent without hydrocarbon makes the working pleasant and safe.

Instructions for use

Spread the washing solution on the surfaces to be washed and leave for 1-3 min, whereafter rinse away. If the surface to be cleaned is icy or very dirty, rinsing with water before washing is recommended. Avoid washing under hot circumstances and in sunshine.

Pressure wash 1-10 %

Brushwasher 0,1-10 %

Manual wash 1-10 %

Floor wash (combined machine) 0,1-10 %

Note

The washing solution must not dry on the surfaces. Delicate painted, metal alloy and rubber surfaces: test the suitability of the product before using it.
