

IPC CT 46 B 50 Scrubber dryer

CT 46 B ensures high level of cleanliness and excellent drying result. Compact design, easily adjustable controls and lengthy operating time makes this machine the perfect choice for even the most demanding of users.

Excellent maneuverability, ergonomics and yellow touch points for daily cleaning give this machine the title of simplest and easiest to use of all medium-sized scrubber dryers. Extra accessories include a dosing system, which ensures correct and constant dosage of the detergent.

The machine is equipped with an integral charger and maintenance-free batteries. Modular design, large wheels and patented transport wheel increases the mobility and eases the use while transporting. Locations that require daily cleaning are marked with yellow touch points for easy recognition.
